REQUEST FOR REFUND OF FEES UNDER 37 CFR 1.26

The applicant of the above-referenced patent application is a small entity. The small entity status was claimed via a designation in an Application Data Sheet at the time of filing.

The RCE fee under 37 CFR 1.17(e) was paid on February 3, 2006. The fee for a 1-month extension of time was paid on June 22, 2006. These fees were mistakenly paid as large entity fees (\$790 and \$120, respectively), and should have been paid as small entity fees.

Therefore we request a refund of \$455. Since the credit card used for the payments has since been cancelled, please credit the refund to Deposit Account No. 503463.

Respectfully submitted,
/Miriam Paton, Reg. #56623/
